

Dear Leroy Lynx,

Congratulations on your acceptance to Rhodes College! Our office has carefully reviewed the information you and your family submitted, and we are pleased to provide you with the attached financial aid award. These awards are based on your academic and extracurricular accomplishments. If you have provided our office with information from the CSS PROFILE and/or FAFSA, your package also takes into account your family’s overall financial situation.

Revisions, updates and corrections to either form may result in a change to your eligibility for need based aid and a revision to this initial award notification. Notifications of revisions to your award will be sent electronically and can be viewed through this portal at any time. You may be asked to provide Rhodes with additional tax documentation to verify the income reported.

Please notify the Office of Financial Aid of any scholarships, awards, or other funding received from outside sources used at Rhodes. If you experience a significant change in your family’s financial situation such as a job loss, catastrophic illness or death of parent, please reach out to the Office of Financial Aid or your Rhodes College Admission counselor for assistance. In addition to the FAFSA we may request a “Special Circumstance Form,” found at rhodes.edu/aid forms, to assist with your explanation and documentation of the circumstance.

If you have any questions about your award package, please contact your admission counselor, Leroy Counselor. We look forward to seeing you at Rhodes!

Sincerely,

Michael D. Morgan
Director of Financial Aid
